Factory Produced New Model—  
Xerox classification for equipment that is disassembled, then sent for manufacture as a significantly updated, new generation, per predetermined standards. These units may contain new and reconditioned components that meet Xerox new-product specifications. Each WorkCentre 7535/7556 follows a predetermined manufacturing process and is newly serialized. Devices may or may not contain new software and/or firmware. All our Newly Manufactured and Factory Produced New Model equipment is backed by the Xerox Total Satisfaction Guarantee.
